The Friends of Evangola State Park invite your department to compete in the 6th Annual Firefighters Winter Rescue Triathlon.

This competition is designed to be entertaining yet a little challenging.

Congratulations Farnham Fire Department for coming in first place in 2010!

Phase One: one member of your squad must put on their department issued boots and move as quickly as possible across the snow to the aluminum boat provided by the State Park.

Phase Two: a four-member team from your department pushes the member from phase one in the boat to the simulated ice covered pond.

Phase Three: Member from phase one must chop a hole into the ice with a departmental axe and rescue the simulated victim. The department that completes the rescue in the shortest time takes home the prestigious 2011 Evangola Winter Rescue #1 Fire Department Trophy.

To enter complete the application below and return to the above address with a \$20.00 check or money order payable to "Friends of Evangola State Park" **by January 29, 2011.**
